

# ASSEMBLY INSTRUCTIONS

# Exhibit-to-Go

## OPTION A - Does not require removing the show-supplied drapery

1. Remove the following from the bag:  
(1) Fabric backdrop  
(4) Black bungee cords  
(6) Metal S-hooks  
(2) White bungee cords

- 2A. Thread the black bungee cords through the top/left and top/right grommets. Thread the bungee ball through itself to secure.  
2B. Repeat for the bottom corner grommets.

3. Hook the bungees from step 2 over the pipe-and-drape vertical poles.

- 4A. Hook the S-hooks onto the grommets across the back/top of the fabric.  
4B. Hook the S-hooks over the pipe-and-drape horizontal pole.

- 5A. Wrap the white bungees around the bases of the vertical poles.  
5B. Wrap the bottom black bungees around the poles below the white bungees.

6. Slide the white bungees down to apply and hold tension to the fabric.

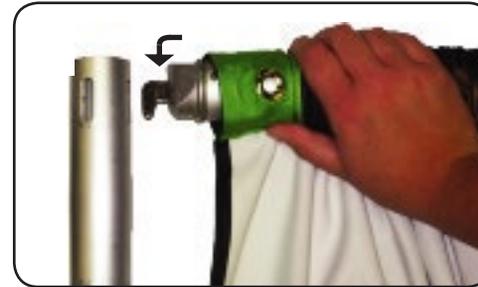

## OPTION B - Can be used when removal of show-supplied drapery is permitted

1. Remove the following from the bag:  
(1) Fabric backdrop  
(4) Black bungee cords  
(2) White bungee cords  
Metal S-hooks are not used with Option B.

2. Remove drapery from the pipe-and-drape top horizontal pole.

- 3A. Slide the fabric graphic top pole-pocket over the horizontal pole.  
3B. Hook the pole back into the vertical poles.

- 4A. Thread a black bungee through the top/left and top/right grommets on the back of the fabric. Loop each ball through the loop.  
4B. Repeat for the bottom two grommets.

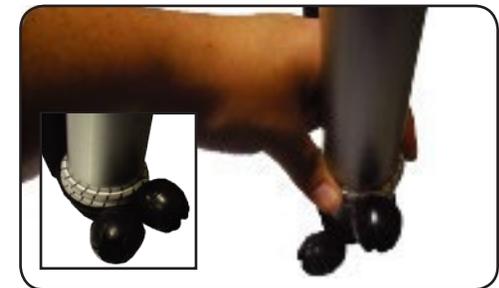

5. Hook the bungees from step 4 over the pipe-and-drape vertical poles.

6. Wrap the white bungees around the bases of the vertical poles.

7. Wrap the bottom black bungees around the poles below the white bungees.

8. Slide the white bungees down to apply and hold tension to the fabric.
